

Tracy Veterans of Foreign Wars Post #1537 Scholarship

The Tracy VFW Scholarship was established to assist seniors who are seeking to further their job skills or improve their circumstances through education by providing scholarships for students entering the military after graduation or with relatives that have served their country in the military. The amount of five hundred dollars will be awarded to one senior boy and girl. The VFW selection committee will review each application for eligible candidates. Finalists will be selected based upon how well he/she meet the scholarship selection criteria. The scholarship will be awarded before graduation.
